

19" Consolidation Point Housing

19" Consolidation Point Housing

CORNING

The LANscape® 19" consolidation point housing is universally applicable for ceiling, wall, false floor or desk mounting. This concept permits a free user-specific configuration of building, floor and office distributors.

Features

- Full metal housing for LANscape® and FutureCom F patch panels
- Standard-compatible according to ISO/IEC 11801 (2009) and EN 50173-1 (2009)
- Easy installation for a distribution or consolidation point
- Consolidation Point Housing is suitable for ceiling, wall, false floor or desk assembly
- Individual strain relief for the incoming and outgoing cable sections via cable ties
- Dust-proof feedthrough for incoming cable
- Easy plug-in of consolidation point cable (dust protection and mechanical protection)
- Housing base electrically conductive for optimal shielding transition or grounding
- Installation height of 60 mm
- Housing is fastened using special non-detachable screws

Part Number: WAXWSW-00008-C013
